Dear Mr. President:

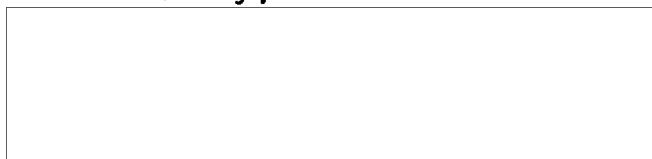

On July 9, 1987, I wrote to you requesting an application to the CIA for . Within 10 days a phone call from the CIA produced prompt results.

STAT

He filled out the application and took the written test. He was told he would be informed within four to six months. It has been well over six months without reply. He truly believes in the work of the CIA.

I realize how busy you must be to grant so insignificant a request, but busy men like yourself obtain the fastest results.

Sincerely,
